Prostate Health

Understandably, prostate health is a major interest for men over the age of 50. Are you concerned about a weak urine stream or annoying nighttime urination? There is encouraging news - now you can give your prostate the nutritional support it needs to continue healthy functioning.

The Quality You Deserve

This formula contains standardized herbal extracts for uniform strength and potency as well as other superior prostate-supporting ingredients. When it comes to quality and effectiveness at a reasonable price, **ProstaSense** is clearly the best choice.

Take a look at the chart to see an explanation of the ingredients.

Recommendations: Take 3 capsules daily or as otherwise directed by your healthcare professional. All 3 capsules may be consumed in a single dose or you may take 1 capsule 3 times daily.

Caution: This product is for men only. It does not treat prostate cancer or replace regular visits to your doctor. Keep out of reach of children.
